

VRC Sign Post & Containers

Will need about 20 signs and post for a VRC. Best to divide equally between two containers because of weight. Suggest Rubbermaid 45 gallon Wheeled Roughtote Storage Box. Add front wheels yourself

PVC SIGN POST (makes 1)

3/4" Sked 40 PVC pipe, cut as follows:

- 2 - 27 1/2" for use with male/female connections.....A
- 1 - 27 1/2" for use with male connection only..... B
- 2 - 12" for use with Tee and End Caps to make Tee-Bar..... C
- 2 - 3/4" End Caps
- 1 - 3/4" Tee
- 3 - 3/4" Male End
- 2 - 3/4" Female End
- 1 - 3/4" Metal pipe/floor flange
- 1 - 3/4" Plywood 10" X 10" Square or Circle
- 1 - 3" C-Clamps (to attach base to table top)
- 1 - Can PVC pipe cement?
- 1 - 18" x 24" x 1/4" PVC Sign Stock
- 2 - Shower Curtain Hooks to attaché sign to Tee-Bar

Do not glue Tee-Bar to post.

Tee-Bar removes for storage, friction-fit only.
